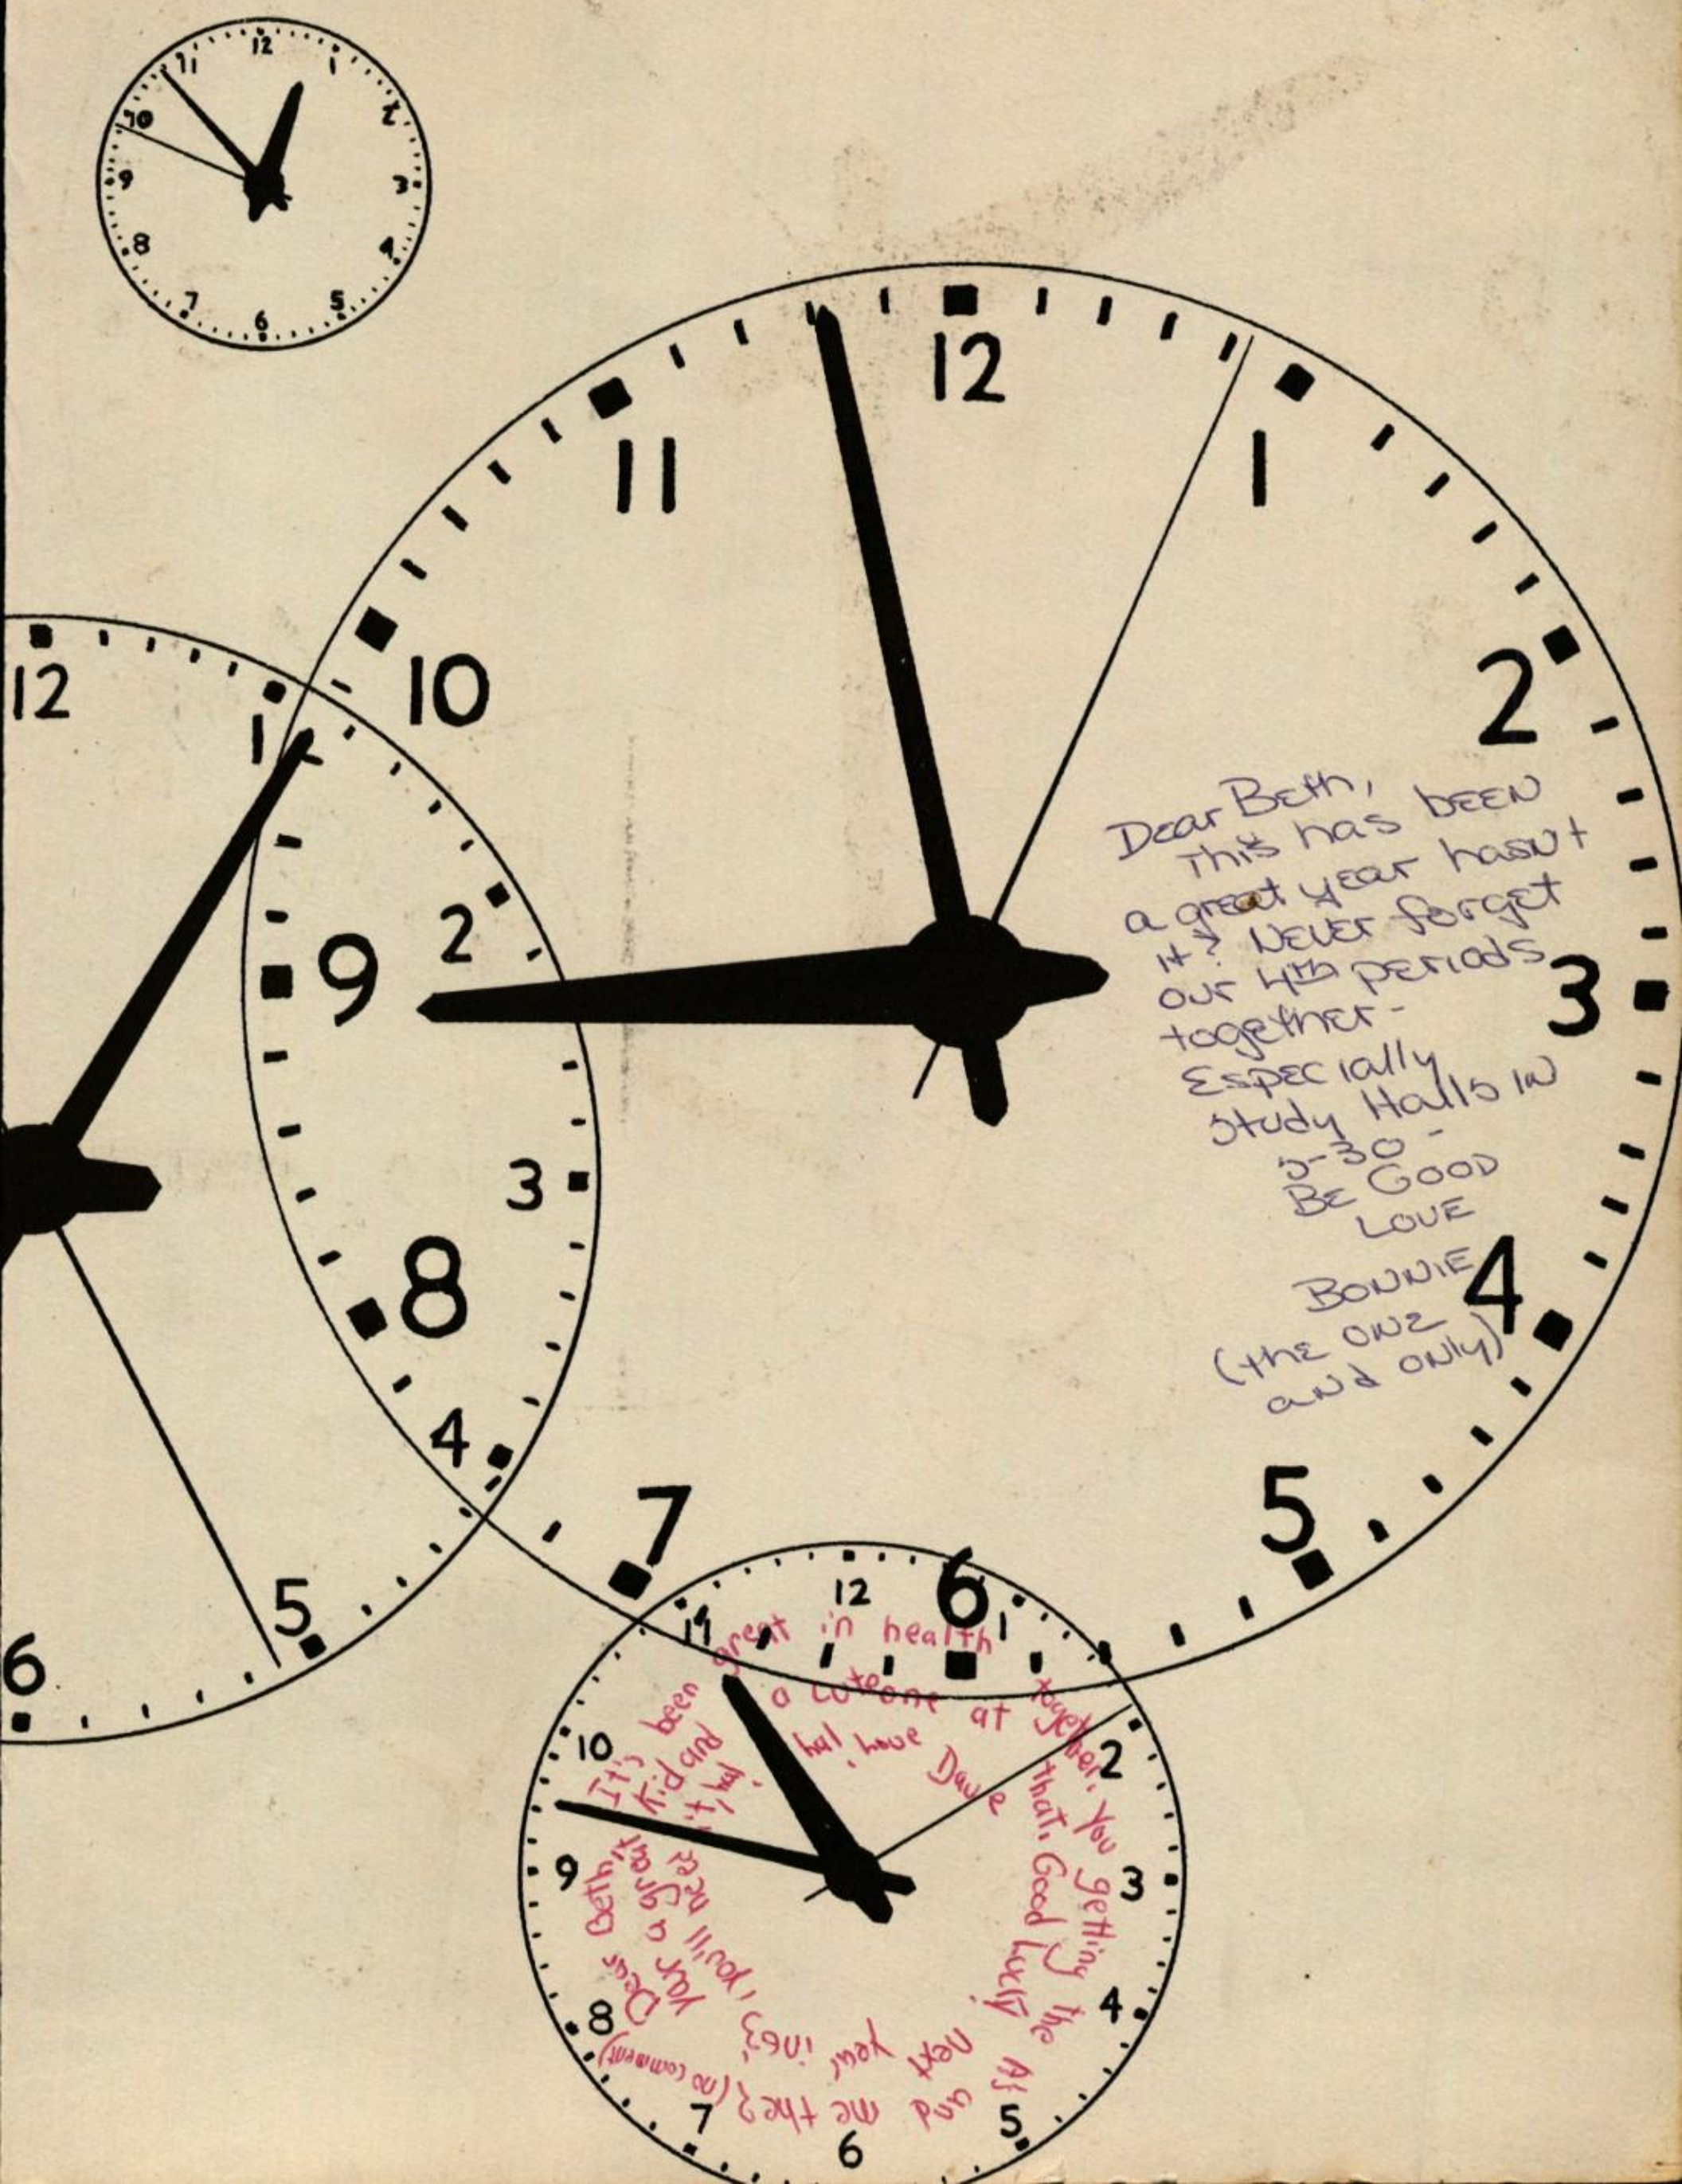
Beth Hughes 5-11



Dear Beth,
This has been a great year hasn't it? Never forget our 4th periods together - Especially Study Halls in J-30 - Be Good LOVE
BONNIE
(the one and only)

It's been great in health class. You getting a C+ team at volleyball. You getting that Good Luck Key. And me the? (Be comment) Next year, no? Dear Beth, Have a great year, I'll miss you!
Dave

Dear Beth,
Hasn't this been a fabulous year? With the exception of English class, I guess. Your sunny smile & happy expression have made school a lot more enjoyable. Remember our great homeroom + Miss Andrews. Have a great summer and I'll see you next year.
Good luck,
Love ya
Julie

Dear Beth,
I've the best year. Wonderful teachers, wonderful friends, wonderful experiences & memories. I'm sure glad I had the opportunity to get to know one of the world-renowned Hughes! There are so many memories that I will retain about you, that I couldn't begin to reminisce. I hope we'll be in some classes together next year.
Bonne chance!—
Margie

This has been a year of surprises. Abby going into the Girl's Room, your not being sarcastic, have all been great surprises. One thing all of us would wish is that we would not be remembered as criticising for the sake of criticising, but criticising for you, so you could improve yourself. Everyone holds you in the highest regard, and none more than myself. I wish you the best of luck, not only next year, but everywhere, all the time.

John Plodinec

Dear Beth,
Boy oh boy, 14!
I'm sorry!! I'm so glad I had the opportunity to get to know one of the world-renowned Hughes! There are so many memories that I will retain about you, that I couldn't begin to reminisce. I hope we'll be in some classes together next year.
Bonne chance!—
Margie

DEDICATION

A great teacher is one who is dedicated to his work and devoted to the needs of his students. Mr. Harold W. Ferguson is such a teacher.

From the beginning of each school day to long after classes have recessed, Mr. Ferguson is busy with his students. If he's not meeting the heavy demands of the new Chem Study Program, which he has initiated at Harriton, he is helping students with their problems or administering his Chromatography and Electrophoresis Research program after school.

Because of his outstanding qualities as a teacher and friend, the 1962 AURORA is dedicated to Mr. Ferguson.

Time seems like a simple word. Everyone knows what it means, yet Mr. Webster lists some twenty-eight definitions for it. Certainly we can apply it to our school life in many different ways. Time — to catch the bus; Time — that all important factor when taking tests; Time — for lunch, for work, for play. Time is something intangible, yet because of the role it plays at Harriton, the Aurora staffs have chosen it as the theme of this, the 1962 Aurora. We have tried to catch the true essence of the times we have had at Harriton and to put this into words and pictures on the following pages.

It has been a year of work and of play, of laughter and of sorrow, of victory and of defeat. The opening of Harriton one day early in the fall to introduce the sophomores is expected to become an annual effort to unite our classes.

Big Brother is watching you

A school spirit as never before revealed itself throughout the year, particularly during the football season. After a losing streak of 25 games, Sam Glasser drove three yards to lead the Rams to victory over Cheltenham, 6 to 0, on October 27, 1961. It was a day that will never be forgotten by those who attended.

The year saw the start of the Corinthian, a new literary publication. Many previously existing organizations also expanded their activities. The Student Council, led by Richard Segal, took a greater lead in student life at Harriton, while our newspaper, the Forum, widened its scope — becoming a center of controversy after its very first issue.

Little Theater, changing its membership to the National Thespian Society and to Thespian Apprentices, produced in December, "Do As the Romans Do," a musical comedy written by Richard Gottlieb and Stan Carroll. Directed by Richard Segal, the play was received with enthusiasm.

Especially to the Harriton seniors, the close of this school year brings many memories of the time which they have spent here. To recall some of these, the Aurora is printing the following letter from a well known personage about our campus.

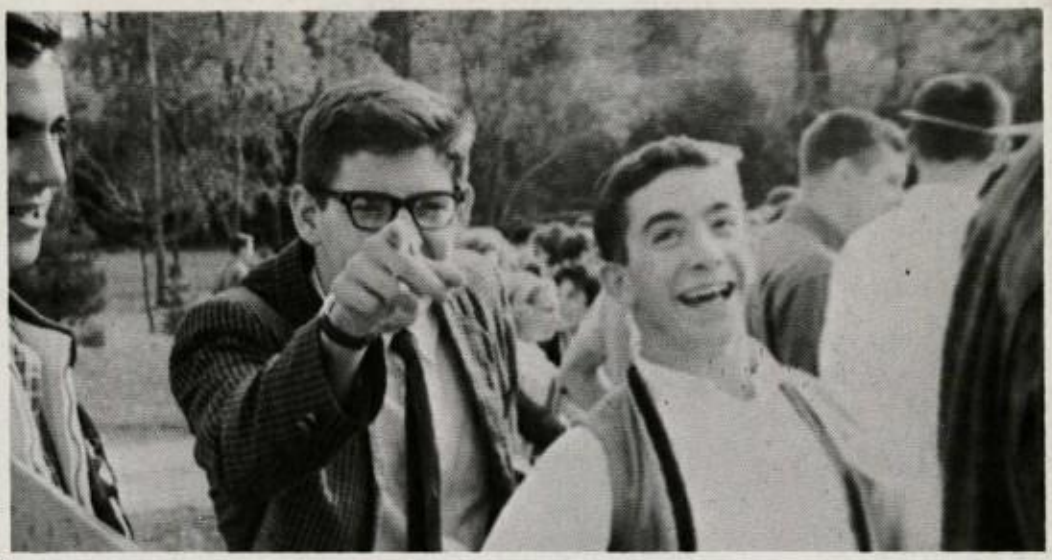
AN OPEN LETTER TO THE CLASS OF 1962

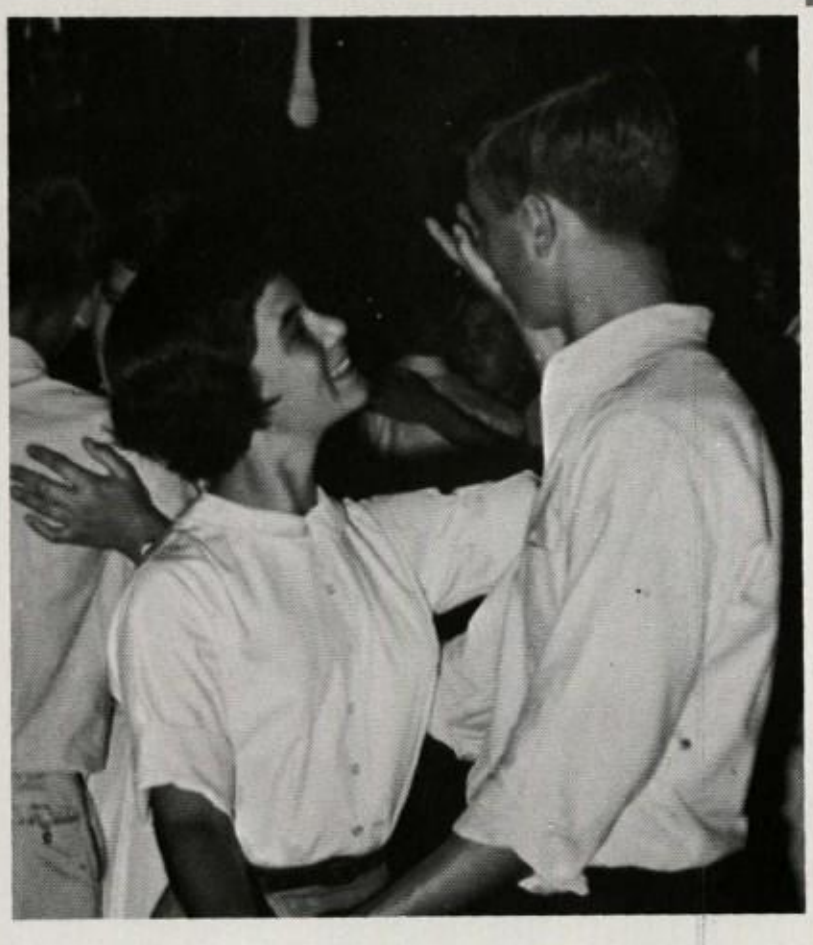
I remember you as shivering sophomores in September 1959; in two months, you had become an integral part of Harriton. I was proud of you when Ken McCloskey was undefeated in cross country running. I shared your joy when Richard Segal was elected school treasurer, and Muff Watt became sergeant at arms.

Time passed quickly, and the new year arrived. With the change of buildings and year, you became a dynamic class led by

Practice makes perfect?

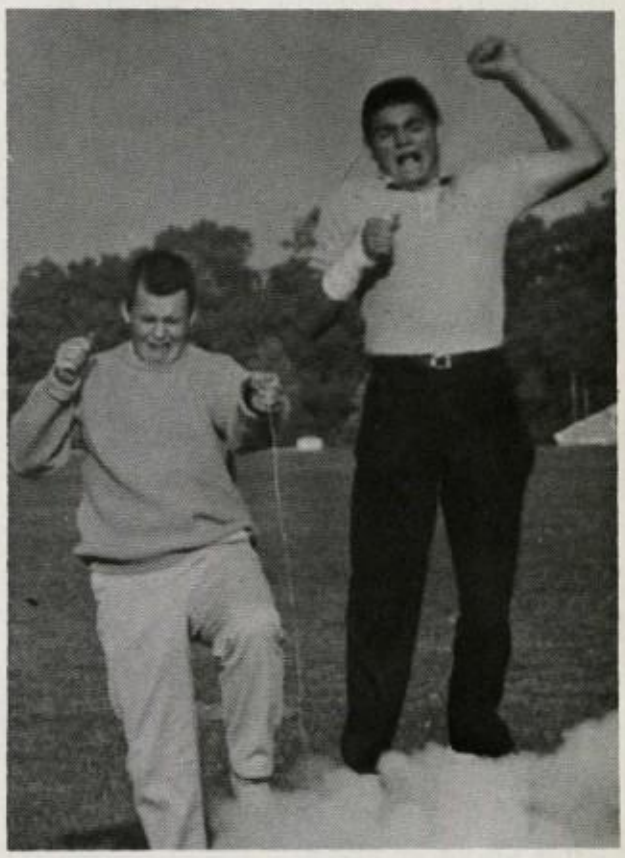
"How would YOU like to be Queen for a Day?"





And here's the three dab man

"Splendor in the Grass"



Eds Fleming, Nancy Hughes, Carole Hoffer, and Rick Curtis. Honors came when Ken ran fourth in the state meet, Dave Edwards placed third in the National Junior Men's Skating Championships, George McGann ended third in S.E. regional wrestling, Bob Morris, after taking the Eastern Pa. State Tennis Tournament, went on to represent the state in the Eighth International Tennis Tournament in Lansing, Michigan, and when Rich Segal won the Harvard Cup award. In the spring, you managed to defeat the senior class in a vigorous tug of war. All was rosy — even Blue Moon, the Junior Prom. Sadly I wished you a good vacation, especially to Polly Furniss — your AFS student to Greece.

Transient summer fled, and you — the seniors — came. You were big brothers and sisters, Harriton's first. Your choice of officers was superb. Rich Segal made an excellent school president, while Eds Fleming, Muff Watt, Judy Hosner, and Rick Curtis led your class well. I can't omit Marisa Selva — your AFS Argentine ambassador. Nancy Hughes was certainly the ideal choice for the DAR award. You even had three Merit Scholarship Semi-Finalists — Jan Levitsky, Steve Ross, and Madge Salner. Eds Fleming and Chip Wilkinson earned places on the All-Suburban first and All-Scholastic second soccer squads. The climax of the year was the fantastic senior prom, Moulin Rouge.

Suddenly it was June, time for final farewells. I shall always remember you as a class of action. Until we meet again, I remain,

To The Class of 1962:

You members of the Class of 1962, as leaders of this school, are to a marked degree responsible for the tone of the entire student body. I have been impressed by your friendliness and by your realistic acceptance of facts and their logical relation.

I hope that the competition of the years ahead will not rob you of your friendly attitude. The habit of cooperation and of self-sacrifice which is developed in team play can be lost when you move into a situation where you feel that you are "on your own." If you can keep the habit and the attitude, you will have a lifetime asset.

If you can continue to accept the realities of a situation without resorting to wishful thinking or false logic, you will have gained another asset. Try not to yield the forthright honesty of youth for the devious expediency often encountered in later years.

Good luck to you.

SCHOOL BOARD

The school board of Lower Merion Township plays an important role in the life of Harriton as well as the other area schools. The Board of Education is advised by Dr. Philip U. Koopman, superintendent of the Lower Merion School District. It meets once a month, dealing with the many problems that are constantly arising. The board discusses such things as the budget, including the costs of maintenance and new facilities.

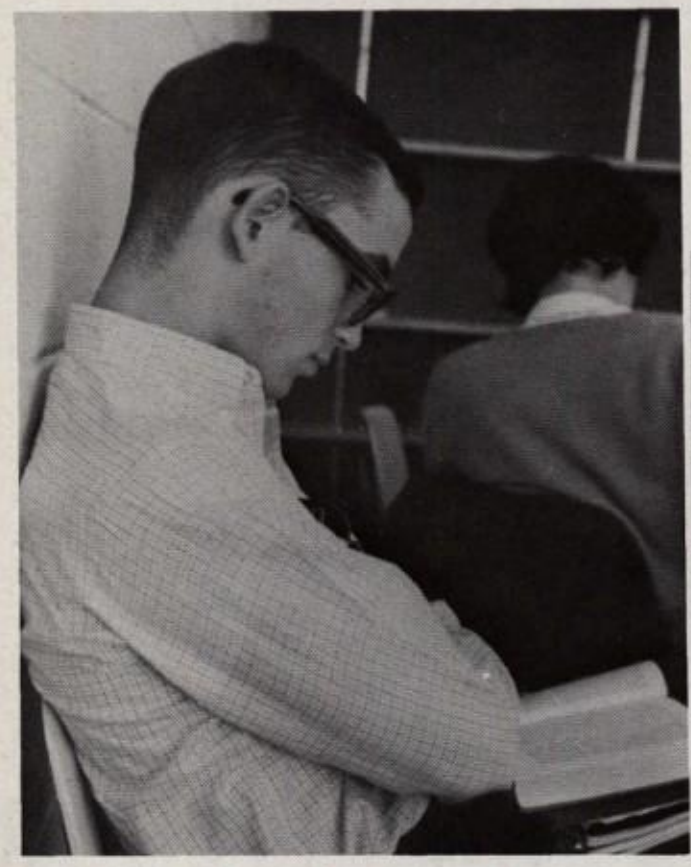
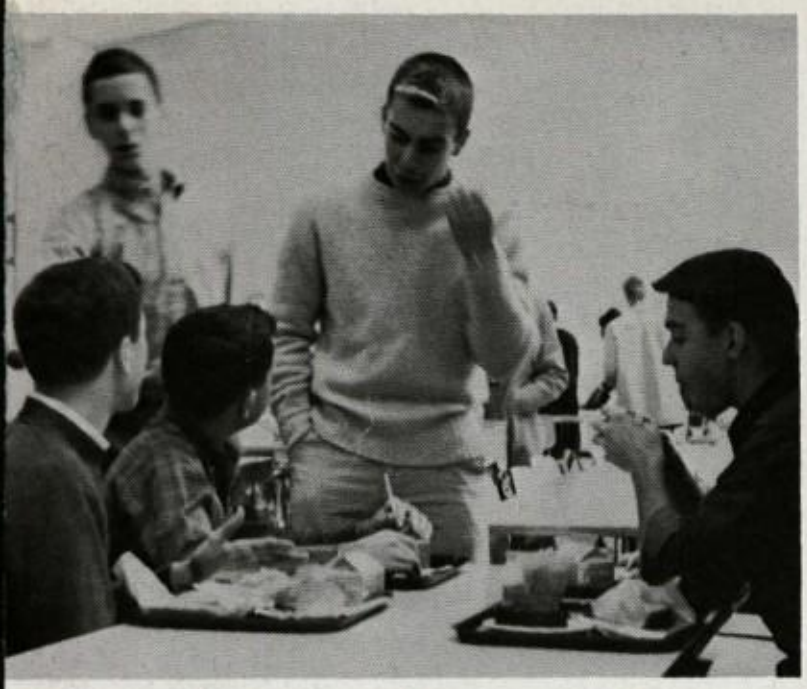
As time progresses, Harriton's curriculum expands as ideas become out-of-date, or as new techniques are discovered. In its fourth year, Harriton included a number of new courses, and continued to teach special subjects already included in the curriculum.

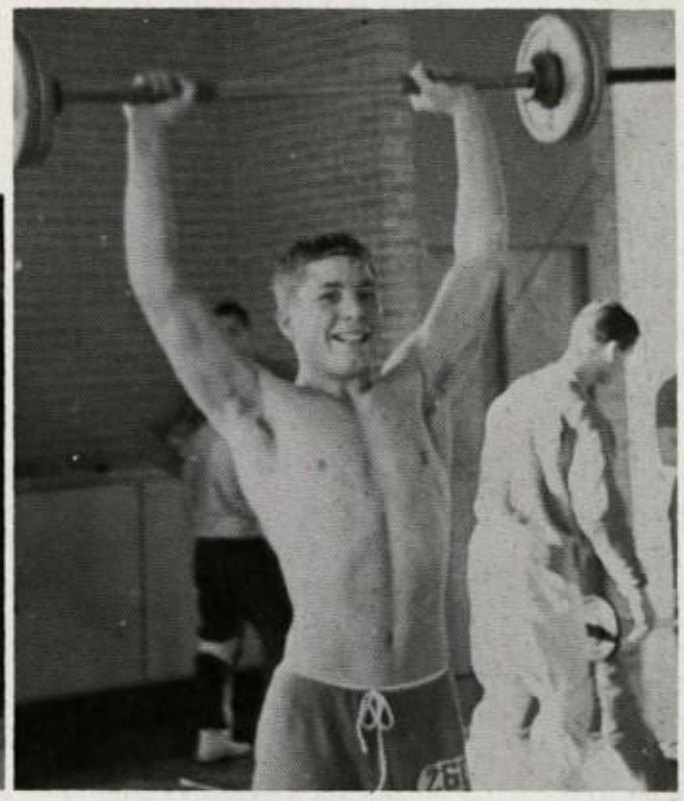
A more modern chemistry course, taught by Mr. Harold Ferguson, gave a challenge to the more scientifically inclined students this year. The seniors were given the opportunity to further their progress in mathematics, when Algebra III was incorporated into the curriculum for the first time.

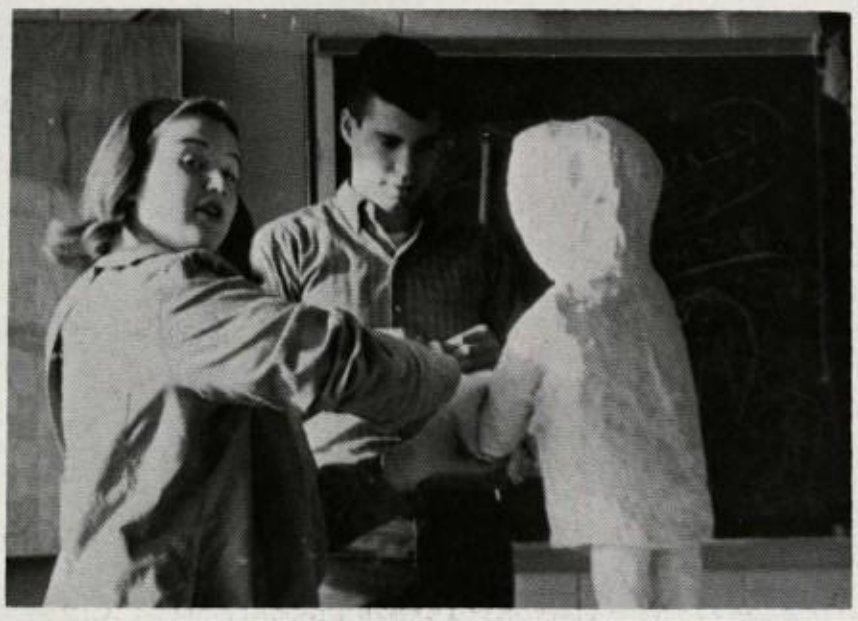


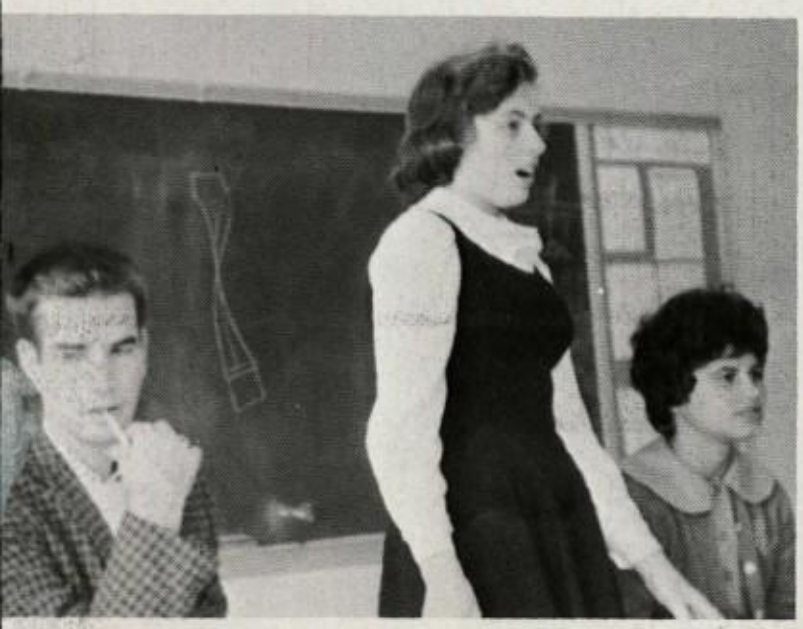


To improve the writing ability of Harriton's students, Mrs. Eva Murphy sponsored an English Composition course. The participants wrote extemporaneously on subjects linked to their English IV work. The advantages of Senior Special English, taught by Miss Sheely, were extended to Juniors in another course taught by Mrs. Murphy.

As in the last three years, Psychology, a course open to selected Seniors, was taught by Dr. Theodore Copeland.







Beth—
You're cute as a button AND I

Fire Marshalls: Daniel Richards, Lynn Strawbridge, Daniel Gavin, Barbara Collins, Steve Butler; **FRONT** Lynn Sofie, Ric Curtis.

OFFICE AIDES

Almost all Harriton students are familiar with the busy secretaries who keep the office work moving steadily and efficiently. These secretaries always seem to find time for a cheerful disposition and a readiness to help students and teachers alike. To help lighten the burden of this work somewhat, a number of students act as office aides.

A new student service group at Harriton, the Fire Marshalls, also aids the administration, but in the field of the fire alarm practice sessions. In the event of a real alarm, their duties would be very important.

Office Aides: **FIRST ROW** E. Hughes, E. Corl, L. Hall, B. Hughes, V. Mortimer; **SECOND ROW** L. Karr, D. Fogel, D. Franklin, Mrs. Klapper, B. Collins, N. Hughes, P. Carvalho, M. Geary.

SCHOOL AIDES

Two of the most important and needed roles in the school are played by the custodians and the cafeteria staff. The part played by the persons on these staffs in the welfare of Harriton should not be overlooked. A neat, clean campus, if not a necessity, is certainly an asset to the beauty and functioning of any school. An attractive environment helps to produce Harriton's high standard of a student body.

Lunch is an integral part of the pupil's day, and, thanks to our dietitian and her staff, this time can always be counted on to be a pleasant one. The variety of well prepared food is always eagerly anticipated and remembered, as the time moves on.

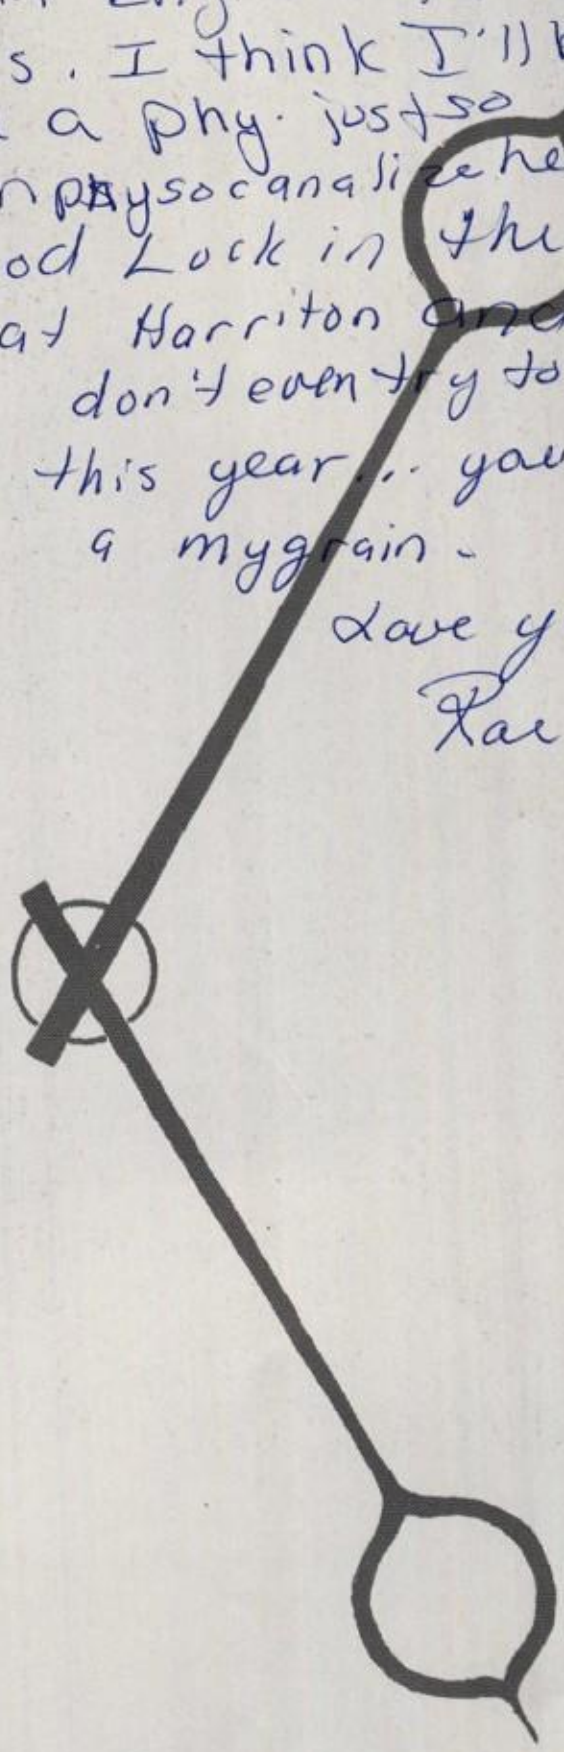
Hey Beth,

Will you ever be able to forget this year, ever. We had lots of fun in Geo with "Doc" and also in Eng. with Miss Bailis. I think I'll become a Phy. just so I can psycoanalize her. Good Luck in the future at Harriton and don't even try to forget this year... you'll get a mygrain.

Love ya
Pat



Dear Ooogies,
I hope you realize, Hughes, that you are no longer nearly as "Naive" as you were (thanks to Joel and I) If I were you I'd never worry - you'll always do O.K Hughes. Besides, if you ever need a friend, I hope you remember me.
love,
Sills
P.S. (3 cheers for Bill Scott)

PRESIDENT'S MESSAGE

To the Class of 1963:

The runner, rising from the starting pit, puts all his strength into making the transition from complete immobility to full speed. This involves him in a sequence of adjustments that makes heavy demands on him. But starting is not running. As the race gets underway, the stride must be lengthened, strength expended yet conserved, and full measure taken of one's opponents. In a real sense, the history of the Class of '63 represents this second phase in Harriton's race toward high school excellence.

Earlier classes established new patterns and a fine tradition, but it was for this class, as it will be for each succeeding class, to lengthen the stride of untapped potential and show the possibilities for rich and varied development in a variety of fields — academic, athletic, dramatic, forensic, and musical. Although eschewing a class competitive posture toward other schools, it has become increasingly apparent that Harriton is developing into a high school geared to the mood of our time, but nevertheless, loyal to the standards of education at its best in our American culture.

STUDENT COUNCIL

In the spring of 1961, Harriton sophomores and juniors elected the officers of the Student Council for the coming year. These were (from left to right), Andy Weinstock, Parliamentarian; Nancy Hughes, Vice-President; Richard Segal, President; and Dave Strawbridge, Treasurer. Mrs. M. Graham acted as the faculty advisor to the council. (Absent: Carol Saam — Sergeant-At-Arms).

THE PRESIDENT SPEAKS

The Student Council has enjoyed a year of enthusiastic endeavor and satisfying progress. Dedicated to the improvement of Harriton spirit and unity, the organization has acted upon student opinion, has sponsored school activities, and has submitted recommendations for school improvement.

New Council activities of this year have been numerous. The initiation of the Little Brother and Sister Program and of the College Return Evening, both suggested last year, are among the new projects. In addition, this year has marked the creation of the Student Council Achievement Award, a citation honoring the achievement of highly-deserving Harriton students.

In addition to many innovations, the Council has fulfilled its traditional functions. The Christmas dance, the presentation of two movies, the sponsorship of beneficial assemblies, and the support of the vitally-important Foreign Exchange Program have continued to be important facets of our work. Moreover, the Council has offered recommendations to groups ranging from the cheerleaders to the school board; in most cases, notable improvement has resulted.

This year, then, has been a time of new enterprise and continued progress. Our thanks go to every Harriton student who has helped to make 1961-62 a year of action, a year of spirit, a year of unity.

FORUM

Trying to be thought-provoking and humorous simultaneously kept the thirty-one members of the Harriton Forum staff thoroughly occupied. Employing all previously acquired knowledge of journalistic arts, the Senior Editors planned and designed fourteen enlightening issues. Beginning with the fractious open letter from the Senior Class, followed by the Juniors' reply, the Forum succeeded in stirring both controversy and thought. With **For Um Joke,** the paper evoked laughter; **Speaking of Sports** discussed Harriton's prominent athletic figures, intramural and inter-scholastic sports events. To stir an additional feeling of competition, the Forum printed a crossword puzzle, and offered a valuable prize to any student who could successfully solve it. Another supplementary feature was the Scholastic Roto enclosed monthly in the paper. Aided by its sponsor, Mr. R. Teare, the staff endeavored to produce an informative publication. Judging from the elated faces every other Friday, they succeeded.

AURORA

Time has been an all important factor in the making of the 1962 Aurora. Deadlines to meet have often meant long afternoons of typing, planning photos, and writing.

In the spring of 1961, the following editors of the new Aurora were announced: Bob Wood, Editor-in-Chief; Caroline Soleliac and Sandy Garson, Associate Editors; Wendi Hnatiuk and Bobbie Wieder, Literary Editors; Wendy Tatnell and Pat Prall, Art and Layout Editors; Bob Flagg, Photo Editor; Mary McCutchen, Identification Editor; Wayne Billian and Elaine Gansz, Business Editors; and Joan Guest and Ken Brownstein, Sports Editors.

The Art and Layout Staffs, led by Mr. Leinbach planned the page layouts and contributed the artwork. The Literary Staff, sponsored by Mr. Dale, worked on senior write-ups and articles. Mr. Miller was the sponsor of the Photography Staff, which did a fine job of picture taking, while the Identification Staff identified the pictures of the school's clubs and organizations. Last, (but certainly not least), the Business Staff, sponsored by Mr. Whistler, sold the books and made the money selling ads, which made this Aurora possible.

Dear Beth,
I don't know of any family as popular, friendly happy and helpful as the Hughes. Beth, you should be so proud to be a part of such a wonderful bunch of girls. You've added so much life and joy to our "beloved" history class. I have no doubts of your future. If you make it what you can it will be a wonderful life ahead of you

CORINTHIAN

This year a new and worthwhile organization was started at Harriton. It was the Harriton Literary Magazine. First organized by the Juniors, the staff was soon opened to all who were interested. Early in the year a contest was held to name the club's publication and the name Corinthian was chosen. The Corinthian was published three times during the year. It contained a great variety of fine literary material that made for pleasant reading. There were short stories, essays, poems, commentaries on controversial issues, as well as some excellent illustrations. The staff worked hard to make the magazine the success it was. However, credit must be given to all of the students who contributed their original work.

QUILL AND SCROLL

Quill and Scroll, the International Honorary Society for High School Journalists, was organized to recognize and reward ability and achievement in writing and other phases of high school Journalism. To attain membership, a student must be an upperclassman with a high scholastic standing, who has done superior work for the school publications.

NATIONAL HONOR SOCIETY

Eleven juniors and one transfer student, selected on the basis of character, scholarship, service, and leadership, joined the Harriton Chapter of the National Honor Society in 1961. Led by officers George McGann, Libby Herndon, Judy Hosner, and Eds Fleming, and Sponsor Mrs. Jones, members tutored athletes and other students. The club also sent representatives to a meeting of Honor Society members from near-by schools. The conference provided a valuable opportunity to exchange information and get new ideas. New members were inducted at a spring assembly, followed by a tea for their parents.

The Honesty Committee, a branch of Harriton's Honor Society, worked to combat cheating. At a conference held by this group, delegates from Lower Merion, Radnor, and Haverford discussed the promotion of honesty. The committee of parents, students, and teachers plans to have an assembly in the future.

To Beth,

One of Harriton's leading sophs. Beth, forget that you are a Hughes and always stay talented, witty, cute, sincere Beth. Family heritages can be helpful but you must never lose the individuality which can be your greatest key to success.

Beth, it has always been a pleasure to know you and to watch you've five steps of progress (despite the hideous clothes which you wear while you rest from those steps). I hope that your two electing years at Harriton and that your long life which follows will bring to you the answers to your dreams, and the many successes and much happiness which you so certainly deserve.

Sincerely - Richard Segal

GIRLS' SERVICE LEAGUE

This year, as during every year at Harriton, the Girls' Service League carried on its many duties cheerfully and enthusiastically. The organization consists of fourty-six girls: fifteen seniors chosen in their junior year, sixteen seniors selected in their senior year, and fifteen junior girls. Miss Marea Taylor is the faculty sponsor of the club.

"You Can't Get Away From It All" was the title and theme of the '61-62 show. This annual event, followed by a dance, provided funds for many of the club's acts of service in the school, community, and world. Buzz Books and sweatshirts were the objects sold to the student body. Christmas and Thanksgiving were made happier for some poorer families in the neighborhood by gifts of holiday dinners. Throughout the year, numerous charity drives were also conducted to help support other fund raising organizations of the community. A foster child in Korea was also fully cared for by the Girls' Service League.

BOOSTER CLUB

The Booster Club has done an outstanding job this year raising school spirit. Under the direction of Mr. Leroy Hollingsworth, the Booster Club began early in the year supporting all sports events by posters and attendance at the games. Two dances, "Harvest Moon" and "Froze-Inn" were sponsored by the Booster Club, along with the annual Christmas Coffee for alumni. Booster Club has also helped support other Harriton activities.

Harriton Boosters, with assistance from their president, Muffie Watt, began a new tradition of short assemblies to commemorate famous birthdays.

Booster Club's unceasing work has not merely added to the spirit at Harriton, but rather produced it.

This year's band and orchestra at Harriton played a wide range of music under the direction of Mr. Andrew R. Frech. Aside from classes and scheduled performances, brief lessons in harmony and structure were given to enrich musical appreciation and, in general, to stimulate musical interest.

The Harriton Orchestra presented many concerts throughout the year. Among these were the Christmas Concert, the Annual Spring Concert, both presented at Harriton, and various concerts given at schools in the area. Outstanding musicians were given the opportunity to gain valuable experience in performing as soloists.

The Harriton Band also participated in a wide range of activities. In addition to adding needed spirit to Harriton football games and rallies, the Harriton band performed at many other schools in the area and participated in the Spring Concert. Several band members also were selected to perform in the Southeastern District and State bands.

Aside from band and orchestra, there were several student-directed groups composed of Harriton musicians. These included the String Orchestra, the String Quartet, the Woodwind Quintet, and the Wind Ensemble.

VOCAL MUSIC

Old father time ticked off many fine moments for Harriton's vocal music department this year. Under the direction of Mr. Ronald Teare, the choir, girls' chorus, and boys' chorus presented very inspiring Christmas and Spring Concerts. The 75-member choir also sang at other places in the community.

Highlighting the choir's performances were songs from countries such as Mexico, England, Denmark, and Czechoslovakia. A new idea of an outdoor concert in the spring also met with great success.

Meanwhile, the 50 or so members of girls' and boys' chorus are busily training for the responsibility of becoming part of next year's fine choir. As time progresses, it is the belief of the music department that Harriton will continue to produce fine vocal music groups.

GUTE EIER

This year's German Club was composed of some twenty-five German students interested in broadening their knowledge of Germany and her culture. For this purpose the club saw German movies and slides, discussed German culture, and listened to a variety of guest speakers. Another "activity" of the past year was the naming of the club Gute Eier, "good eggs," a tradition which, it is hoped will remain with the club in future years.

BUSINESS CLUB

Now in its fourth year, the Business Club, sponsored by Miss Easter and Miss Taylor, is made up of interested students in the business curriculum. During the year, in order to learn proper business procedure, these students are shown movies and skits by representatives of prominent business organizations. At Thanksgiving, the club sponsored a needy family, and the year finished with a picnic at Valley Forge Park.

DEBATING TEAM

A new activity at Harriton this year was the Debating Team, sponsored by Mr. Restreppo. Here students studied the techniques and procedure of proper debating. Twelve students were chosen in the fall, and these were divided into six men teams for each debate. The team debated such topics as nuclear testing, the electoral college, and the future of the House Un-American Activities Committee.

CHESS CLUB

Directed by Mr. Restreppo, the Harriton "checkmaters" spent many a fine Tuesday afternoon examining and maneuvering on a board of red and black squares. The club also held inter-club tournaments which were thoroughly enjoyed by all members.

Because of an increase in membership over last year, a team was able to be formed in hopes of playing tournaments with other schools. We hope the time comes when "check" is even more popular than it is now.

FEC GREETS MARISA

FOREIGN EXCHANGE COMMITTEE

To promote better international understanding, the Foreign Exchange Committee, by the authority of the American Field Service, offers a two-fold exchange program. This year, Marisa Selva, from Argentina, lived with the family of Liz Briscoe of Haverford, and fulfilled one-half of the plan. Representing Harriton, Polly Furniss spent the summer in Greece and was under the direction of the American's Abroad division of the A.F.S.

Under the administration of the Student Council, and the sponsorship of Miss Beatrice Easter, the committee sold shares, both to raise funds and encourage student interest. With Judy Hosner as Secretary and Paul Fair as Treasurer, a Christmas party and a spring party were given to bring together all those interested.

THAT TRY MEN'S SOULS

WORLD AFFAIRS CLUB

Under the able leadership of Miss Beatrice Easter, the World Affairs Club plunged enthusiastically into the problems of today's world. It was an optimistic but serious group that met after classes to discuss the future of the United Nations, or nuclear testing and nuclear science, or the much controversial issue of Red China's admittance to the United Nations. Once a month the members attended an interscholastic senior high school forum in downtown Philadelphia, where distinguished speakers gave excellent speeches on modern day problems. The group also heard first hand reports about the different countries of the world from their classmates who had been abroad and had seen the places where history is in the making. During the school year there were also trips to the United Nations and Washington, D.C.

Good luck,

HARRITON'S DIAMOND NINE

BASEBALL

March 27th saw the 1962 Harriton Varsity Baseball Team defeat Upper Darby by a score of five to two in its opening game played here at Harriton. Hampered by a few early season losses, the boys went on to complete a highly successful year. A powerful veteran infield consisting of Seniors Bill Boehne, Jackie Morella, and Chip Wilkinson was backed by the steady pitching of Jerry Castigliano and Jim Budd, who still retains two years of eligibility. Spirit was exceptionally high throughout the season due to the enthusiasm of Coach William Evans.

Although the squad will lose many seniors for next year through graduation, a strong outfield with good hitting can be expected. Outstanding in this group is Rick Buchanan, who may prove valuable as a pitcher also.

OARSMEN TRIUMPH

CREW

Boathouse Row on the Schuykill River this year witnessed one of the best crews that has ever rowed for Harriton. The team began the season by gaining the right to row the "John F. E. Hipple" shell when they defeated Lower Merion in an exciting race. The varsity eight consisted of Andre, Glasser, Hoke, Hatman, Sanzogni, Billian, Cockswain Baumgarten, and Captain Paul Fair.

The boys did remarkably well this year. They rowed against the stiff competition of the Catholic League schools and at tough meets at Annapolis, St. Andrews, and Kent School. The highlight of the year took place at Kent School in Connecticut, where the squad lost by only ten seconds to this school, which is considered to be the best in the United States.

Dear Beth,
May you have good luck in the years to come and may these be many.
Love

BOYS' BASKETBALL

Severely handicapped by lack of height, the 1962 Harriton Basketball Team suffered a number of losses in Suburban Two League competition. However in pre-season games the boys managed to do somewhat better. Playing the best game of the year, Harriton swamped Jenkintown High School by a score of sixty-five to fifty on December 15. This was the first time that the squad was able to beat this strong team since they first played them in 1959.

The high scorers for Harriton this season were Co-Captains Ken Brownstein and Dan Gavin. Returning 1961 Letterman Rick Curtis was also a tremendous help in the field of scoring.

Although there were a large number of seniors on the team this year, the juniors and sophomores from the Junior Varsity make the outlook for 1963 appear very promising. Along with fine shooters J.V. Coach Getty will be sending that much needed height to the varsity.

Throughout the entire schedule the squad played with the determination that makes any team successful, whether it wins or loses. Spirit never failed among the boys, due to the dedication of Coach Fleming; truly, this is what counts the most.

Dear Beth,
I was really glad to get the chance to know you so well this year. You know I love your 2 sisters & by golly I kinda think you're a darn nice gal to know. You were such a good sport in lacrosse — please keep up your bubbly spirit!
BE GOOD THIS SUMMER & I'll see you next year — Love, Patsy

Coach Barbara Longstreth and Muff Watt (Captain).

LACROSSE

The 1962 Girls' Lacrosse Team has much to be proud of for their fine season filled with hard work. Since Coach Barbara Longstreth was in Europe with the U.S. hockey touring team at the beginning of the season, the job of getting the girls back into shape and instructing the incoming sophomores was left in the able hands of captain Muff Watt.

Four varsity letter winners returned, who, combined with spirit and enthusiasm, made a strong team. The J.V.'s were fortunate in having many willing girls. They were constantly improving during the season and will be quite an asset to next year's varsity.

GIRLS' TENNIS

The Girls' Tennis Team, along with the Boys' Team, were fortunate in being the first Harriton team to use our new home courts. Led by Captain Tootsie Hahn, one of the four returning members of last year's varsity team, (the others being Penny Goldstein, Sue Schotz, and Sue Young), the team enjoyed a fine season.

A number of promising juniors and sophomores indicates that the fine record and spirit of this year's team will be carried on next year.

BOYS' TENNIS

Captain Rob Morris led the Tennis Team once again to a highly successful season this year. Downing Episcopal Academy, the boys went on to win the majority of the remaining matches. Seniors Gene Spector and Bill Buchanan were responsible for a great many of the Harriton victories. Highlighting the year was the winning of the Haverford Indoor Invitational Tennis Tournament by Rob Morris.

Coach Seyler is very confident of an excellent squad next year. He is expecting fine results particularly from the four sophomores who played on the varsity this year.

FIRST ROW: E. Cooperman, B. Buchanan, R. Morris, G. Spector, B. Dothard; **SECOND ROW:** Mr. Seyler, C. Jaffe, J. Zuccirini, M. Silver, T. Fedder, C. Schreiber, D. Driscoll, J. Keenan.

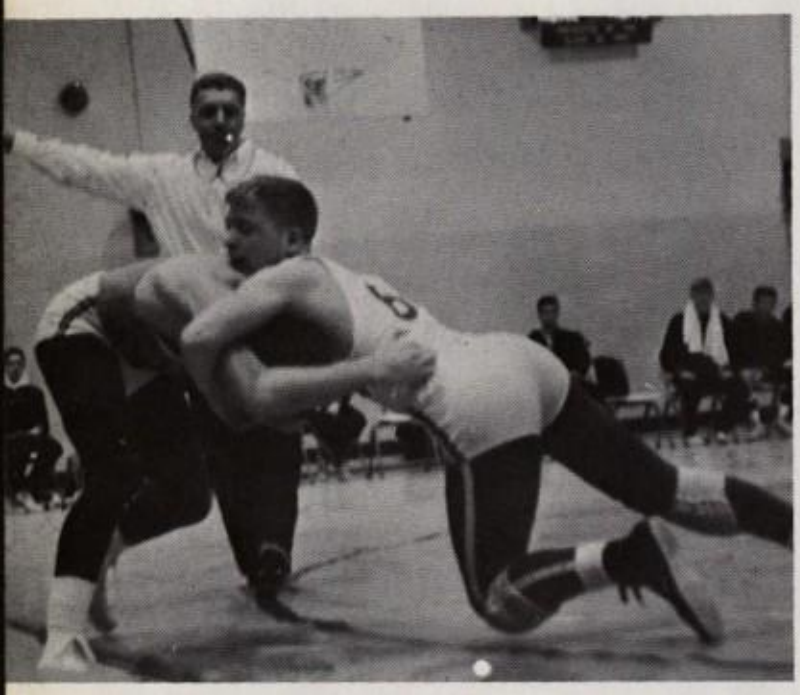
WRESTLING



VARSITY WRESTLING

The varsity wrestling team once again had a very successful year. The team in 1961 was able to capture the Suburban Two League Championship. From this excellent squad the 1962 team had the services of six returning varsity lettermen.

The meet that highlighted the season this year took place when the boys wrestled against Haverford Township High School. With the score showing Harriton in the lead by three points, Junior Sam Glasser battled for a tie in the final period giving Harriton an impressive victory.

This year Coach Zimmerman instituted a weight lifting program for the wrestlers. This program along with a two mile run each week may well explain the successful year.

JUNIOR VARSITY WRESTLING

The Junior Varsity started off the 1962 wrestling season with victory over Lansdowne Alden High School. They were able to beat Lansdowne even though they had only seven wrestlers. By the middle of January, however, the J.V.'s had almost a full squad.

Practicing since November 1, the junior varsity was kept in top shape by coach Saunders. By giving experience to junior and sophomore wrestlers, the Junior Varsity has developed many 1963 varsity candidates. Outstanding among these boys are sophomores Tom Lang and Al Hahn.

SWIMMING

The 1962 Girls' Swimming Team struggled through a very difficult season and finished with an outstanding 9-4 record. They lost an especially close meet, by only eight points, to Abington, a team which has been undefeated for six years. Led by their enthusiastic and dedicated co-captains, "Tootsie" Hahn and Caroline Soleliac, the team was never at a loss for spirit. Caroline and Tootsie were faithfully accompanied by their two mascots, "T" and "NT," which combined made "T'NT," the mysterious slogan known only to team members. It stands out in bright red on every swimmer's cap, a new tradition initiated by the co-captains.

The team trained under the able coaching of Mrs. Spillman and expert assistance from senior Bob Edwards. The J.V. squad also enjoyed a victorious season, as shown by the 11-1 record.

TRACK

The 1962 Harriton Footmen once again can boast of an excellent season. Continuing the tradition of a fine record (losing only one meet last year), the boys were strong in every department. In the spotlight with Captain Jim Wynkoop were long distance runners Bart Frame, Dave Bryant, and Ken McKlosky, high jumper Dick Sidebottom, and broad-jumpers Dan Gavin and Mark Kantor.

The juniors helped to strengthen the team greatly. Dave Strawbridge, Wynn Jessup, Monty Whitney, Mike Barbaro, and Tom Knight were responsible for a good many of the Harriton victories. These juniors, along with some outstanding sophomores, comprise an extremely promising sign for still another successful team. Coach Hollingsworth predicts a season just as good, if not better, than the one turned in this year.

HOCKEY TEAM HAS FINE SEASON

The 1961 Girls' Hockey Team surpassed all records previously set by any girls' hockey team at Harriton. Coach Barbara Longstreth worked to achieve unity and teamwork, while co-captains Sally Rhimer and Pudgie Strawbridge led the team in spirit and ability. Bubbling enthusiasm was evident during the entire season. Sporting their original red and white Harriton garters, the girls achieved a fine 7-1 season. Coming from behind in several games, Harriton's last quarter rallies spelled victories. One highlight of the season was our first hockey victory over Haverford High, 3-0. A single upset at Springfield however, spoiled a perfect season. The 7-1 record is not all the girls will remember, fun and friendship were also part of the rewards. "F.D." and "Let's get together (yeah, yeah, yeah)" are phrases not soon to be forgotten.

The J.V. squad, coached by Miss Jan Gulick, had a 5-2-1 season. Hopes are high for a winning season next year.

GIRLS' BASKETBALL

The 1962 Girls' Basketball Team began their season with a victory over Lower Merion in a practice game. Prospects were bright for a winning season. However, Captain Barbara Pollock suffered a broken finger in the opening minutes of the first game. Several other casualties soon followed, which put some of the varsity players out of action.

Coach Barbara Longstreth feels that lack of experience was the major cause of defeats.

Although hampered by injuries and inexperience, the girls still enjoyed playing basketball and participating in a team game. Profiting from this year's experience, the juniors on varsity and the J.V. team members will comprise an able team for next year.

GOLF

Led by Senior Co-Captains Bob Buck and Chuck Katz, the 1962 Golfers once again cashed in on a successful year. The squad showed all the skill and spirit they showed last year when they claimed second place in the Suburban League.

Co-Captains Buck and Katz were backed by Senior Steve Ross and Juniors Gary Uphouse and Ed Hallowell. Since Hallowell and Uphouse will return next season along with Moneta, Block, and Dubin, Coach Stanley Westover anticipates another good year for 1963.

BOWLING

The Harriton Strikers once again turned in a highly successful record by finishing in second place in the Suburban League. Paced by Captain Curt Panzer and high-scorer Steve Finnegan, the squad displayed remarkable skill by downing the majority of their opponents. The boys stayed among the top three teams throughout the unusually long twenty week roster.

Highlighting the season was Steve Finnegan's fantastic score of 224. Steve tallied an impressive 170 average for the year.

The return of a great many juniors for the coming year justifies Coach Richard Leinback's hope for a championship team next year.

THEY RACE AGAINST TIME.

CROSS COUNTRY

Another successful year for the Cross Country Team under the guidance of coach Harold Spealler is indicative of the amazing growth of this team at Harriton. This was the Harriers' most successful year with a record of 8 wins and 2 losses, and this year's initial turnout of 32 boys showed the rise of this sport's status at Harriton.

This was a year for the exceptional. Captain Ken McClosky, previously undefeated in two years of duel competition, was sidelined by sickness. In spite of this, he placed first in three of the four meets in which he ran. Bart Frame, while participating in varsity soccer, managed to run in three meets, placing second each time. Five boys — Bruant, Clark, Howard, Reynolds, and Thornber, ran 100 miles over and above daily practice qualifying them for the 100 Mile Club.

Captain-elect John Howard and Coach Spealler anticipate an excellent season next year. Of this year's varsity runners, five will be returning. They will be backed by this year's Junior Varsity, whose fine quality is shown by its undefeated record. Cross Country is rapidly growing at Harriton. This year's squad again can be termed "the best so far." Next year's squad promises to continue the trend.

FOOTBALL

The 1961 Football team finally ended a losing streak that lasted almost three years. October 27 was the day that hundreds of Harritonites saw the Rams down Cheltenham by a score of six to zero.

In spite of this great boost to morale, the Harriton team was not able to claim any more victories during the year. Nevertheless, the victory of October 27 seems to be a good sign for better seasons in the future.

The team was led by Captains Steve Butler, Dick Harrington, and Pete Stevens. Dick Harrington received the Sportsmanship Trophy. The Most Valuable Player award went to Pete Stevens, who was also selected for the Main Line Scholastic All-Star Football Team.

The squad started practice during the hot summer days of August. Fighting hard and showing excellent spirit, the boys exhibited the typical Harriton will-to-win throughout all of their games. With this spirit and fight, 1962 promises to be very successful.

SOCCER

For the fourth successive year, the Harriton Soccer Team finished in the suburban league only one point from first place. This year the squad lost only to Haverford High and Lower Merion. The latter is the only school that Harriton has not beaten.

Highlighting the 1961 season was the hard fought game with Girard College. The strength of this Philadelphia team is readily shown by the fact that they beat the United States Military Academy Plebs; nevertheless, our boys claimed a well-earned victory.

Three boys were selected for the All-Suburban Soccer Team from Harriton. These were Mike Barbaro, Eds Fleming, and Chip Wilkinson. Of these, two were chosen for the All-Scholastic Soccer Team, which is composed of the best players from the Interac, Catholic, Suburban, and Philadelphia Public Leagues. Co-captains Fleming and Wilkinson received this high honor. Bill Buchanan was the most improved player this year while Eds Fleming was awarded the Most Valuable Player Trophy.

Dear Beth,

I'm sorry the year is over, for it has truly been a great one. You have changed my whole life (from bette to worst). I know I'll be seeing you over the summer, probably on double dates and probably not, but anyhow, have a good time — I KNOW you will.

Love,
Gene

P.S. See you at Sidney's.

HISTORY
OF
THE
UNITED
STATES

SENIORS

OFFICERS

To the Senior Class:

When we arrived in the fall of 1959, Harriton was one year old and it was our job to help build the foundation of tradition which is so necessary to a school. It was also our responsibility to create a creditable reputation for Harriton. Now after three years, we can look back with pride and satisfaction. Seniors have with pride brought honor to Harriton's name, through scholastic, athletic, leadership, and musical achievements.

Upon graduation, the responsibility of strengthening the Harriton tradition and reputation is passed on to the Class of 1963. To them we extend best wishes for continued progress.

GOODWILL AMBASSADOR

Dear Harritonites,

On a very cold July morning in 1961, I received a letter. In it I found an address, the Clarence Briscoes of Haverford, Pennsylvania; and an order — you are leaving August 1st, by Pan American Charter. I had gone through dozens of interviews, examinations, tests, always looking forward to spending one year in the United States.

Many times I have been asked if I had had a choice, would I have come to the U.S.? When I applied to the American Field Service, I knew this was the only country which I wanted to be my home for a whole year. There are many things said about this country — many are true, many are false — but if there is one trait for which you are well-known, it is the way you treat foreigners. And before you make up your mind to leave your family, your friends, and your country behind, you **must** know you will be welcome. This was the only thing which I knew for sure.

I was lucky enough to have a whole month to settle down before school started, and I used those days to try to become part of American life, and to get used to one of the most difficult aspects of being a foreigner — that is the idea that I was being judged as a piece of Argentina. And believe me that it is hard!

For a year I have represented my country and have done my best to clear misunderstandings concerning "the land of gauchos and beef." We are civilized; we are progressing. I will not say that our customs are the same though. Our education and our customs are European, mainly Spanish . . . more strict, therefore.

When I had realized that adjusting to a new way of life was not difficult at all, a new experience was on its way: I had been out of school for two years, which is time enough to realize that once the proudness of graduation is over, you know **so** little . . . and in a very modern and beautiful building, Harriton High School, I was introduced to a new way of life. At home, we had more study, but less work. I also met the "American teen-ager" — a race or category existing officially only in the U.S. and very much talked about all over the world.

I must say that, fortunately, you did not come up to our expectations in that line, since I found you to be normal people — very independent but conscious of your responsibilities, serious and well-disciplined students.

Although many of you have laughed when I mentioned discipline, I am serious. The relationship of the student and teacher here fascinates me. There is so much respect and understanding . . . on both parts, which I attribute to the fact that American teachers have a very powerful weapon in their hands: college entrance, and also that as you are not with your same friends in class **all** day, there is not that unity needed to conspire against the welfare of the teacher, and in the long run your own . . .

My year has come to an end, and I am returning to Argentina with my bags full of wonderful memories . . . It would never be enough to say to every single one of you: "Thank you, for making this the greatest year of my life, but above all, thank you for making me feel at home . . . " Whenever it may be, remember that a home in Buenos Aires is open to you; my first words will be WELCOME.

MARISA SELVA

Marisa enjoys the company of her new family; Dr. and Mrs. Briscoe, Liz, Clare, Phillip and their dog Silly.

Dear Lizzie,
well another year has passed
with us still being
buddy-buddies. I've now
had the pleasure of knowing
you for about 10 years.
I don't know how I stood it
still living. I was pretty scared last year
because we a Robbery won't be such good friends
have remained good pals (ugh-hate that word). We all
this year. But we're not defied all odds of nature and
I hope next year we can still be good friends and get in
at least one class together. I wish you lots of good luck in
summer's choose. You'll need it after 4 hours. So
thing's over the year. Let's see here was Bill, dear,
Bill, and of course Howard (I saw him). Be a good girl, please and
don't flirt too much. (Travis looking like a beanpole)
just be good.
